Card of Thanks

THANK YOU: We want to sincerely thank the entire Elgin Fire Department for the "SUPER" job they did in protecting our home. Everyone was speedy, yet very efficient and concerned about not only us but our home and contents as well. Little things such as a tarp to protect our rug and careful use of the water prevented much additional damage. Our contractor has said he's never seen such a beautiful job as was done while cutting through our roof and the spraying of water in the attic. We feel very fortunate indeed and again want to give much praise for the Elgin Volunteer Fire Department.

Bill & Barbara McClure.
